KEY MESSAGES THIS WEEK:

- We are planning to **SWITCH OFF** the old referral pathway (SPA / e-RS) on 30th September 2022. Therefore, referrals will only be processed via REGO from 1st October 2022. We will be keeping you informed over the next couple of weeks.
- The team presented to a **local learning event** and the slides are available on the GP Information Page, via the BHRUT website. Please let janet.bartlett@nhs.net know if you need access.

The numbers are getting higher which is great, please continue to use REGO. We have sent out the training guide and the video material to assist practices.
