

# Training Webinars

## 2022 Dates

Join us for a 30 minute session to update you on all things MyWay Diabetes including;

- ★ Demonstration of personalised patient data platform
- ★ Improved patient registration through NHS login
- ★ How to identify, invite and help patients self-register
- ★ Practical support we can offer practices to onboard patients
- ★ Demonstration and activation instructions for the MyWay Clinical
- ★ Platform for diabetes population management
- ★ Q&As

### Who should attend?

CCG, PCN or GP lead for diabetes, specialist or practice nurse(s) and other healthcare professionals with an interest or role in diabetes support and care using EMIS and Vision clinical systems

### What you need to know?

MyWay Diabetes supporting your patients living with diabetes to self-manage to improve outcomes. Provides online support for people living with diabetes, or those at risk of developing the condition, their families and carers.
